

Florida Parental School Choice Consortium

The mission of the Florida Public School Choice Consortium (FPSCC) is to provide information and support to maintain and expand public school choice options in Florida.

As former FPSCC President and active committee member, I would like to personally invite you to attend and participate in the Florida Parental School Choice Consortium's (FPSCC) Fourth Annual "Career Academies on the Hill" legislative conference in Tallahassee. I can assure you that this high quality experience to promote our mutual understanding about Career Academies and their impact on academic and Career and Technical Education programming will be well worth your trip! The conference will be held April 14-16, 2010 at the Doubletree Hotel, within walking distance of the House and Senate buildings. It will be in these

buildings that our interactions with our representatives will educate them so that they can make informed decisions. The past conferences resulted in continued support from local legislators and began the dialogue between the school districts and legislators. As a result, the representatives are more involved with Career Education and Career Academies throughout the state.

The 2010 CAREER ACADEMIES ON THE HILL CONFERENCE will provide:

- Interaction with state and national organizations promoting career academies and share strategies and successes with other practitioners
- Ability to visit with your local legislators to get their attention to build support, express concerns and showcase some of the finest career academies and the students who are in them
- Opportunities to learn how to monitor and fund industry certifications for career academies in Florida
- Opportunities to learn how Florida academies strive to implement the national standards of practice (NSOP) and align them with the state of Florida definitions and models

We have kept the registration rates the same as last year of just \$320 for FPSCC members and \$350 for non-members, so register today! There is a special group rate of \$190++ single/double until March 19. Make your hotel reservations today! Please visit www.fpscc.net to learn more about this exciting event; get hotel information and register online.

I look forward to meeting you. Thank you in advance for your participation!

Sincerely,

Constance Scotchel-Gross

Manager, Career Education, Palm Beach County School District
Past President, FPSCC
Chair, Career Academies on the Hill Conference
