

Charlotte County is having a huge celebration for CTE Month! Here are some of their activities:

1. Kickoff is the January 26 School Board meeting-- Reading CTE Month Resolution
2. School Board presentation on CTE--giving Board members the CTE recycling blue bag filled with goodies including stickers, pens, resolution, facts on CTE, and a newly introduced "CTE Double Dream Cookie." The Culinary students at Port Charlotte High School are baking the **Double Dream** cookies. We are including the recipe and the theme "If you can **dream** it, you can become it in CTE! **Double** your career options!"
3. Future Farmers of America (FFA) Week presentation for School Board.
4. PowerPoint presentation for School Board featuring the Agriculture program at Charlotte High School.
5. Newly created CTE link on website (check out www.yourcharlotteschools.com and follow link on left hand side to "Spotlight on Learning" then "Career and Technical Education").
6. CTE month banner on main website and on each school's website
7. Lobby displays in schools along with CTE Banner in School Board lobby
8. Newspaper articles featuring OJT opportunities for CTE and Internships
9. DOE speaker on Consumer Education
10. CTE newsletter mailed to all 8th grade parents and posted on website (on CTE website "CTE Newsletter")
11. Television productions in all schools featuring CTE students
12. Marquees at schools announcing CTE Month
13. CTE recycling blue bags (stuffed with goodies) hand delivered to every CTE teacher in the school district. These will be delivered by the Director of CTE.
14. STEM lab photos displayed through the schools.
15. Enterprise Village featured in photo displays
