Triathlon

This year FACTE is kicking off what we hope will become an annual event: The FACTE Triathlon. All & any conference attendees are welcome to participate, but they must be registered for the conference and they must sign-up in advance. Participants will be grouped into teams based on their primary division affiliations. The Triathlon will be composed of three events, including a glow-in-the-dark nighttime volleyball game (to demonstrate athleticism), a sandcastle building contest (to demonstrate creativity), & a trivia game (to demonstrate knowledge). Teams will receive points based on their ranking in each contest. The team with the most points at the conclusion of the triathlon will be deemed the winner. If you are interested in participating, please contact your division president or the FACTE office.

Please Note:

Thursday is devoted to quality staff development planned by each FACTE division based on input from their membership. You are welcomed in all workshops regardless of affiliation. FACTE provides general interest sessions to allow you multiple opportunities to grow professionally and network with peers. Please check the FACTE webpage as the 44th Annual Conference & Trade Show program expands.
